Miscellaneous Evidence and Information

This document will cover evidence and information that is noteworthy but not large enough to constitute its own document.

When Did Parker Start His YouTube Channel

In his “PKRUSSL IS INNOCENT” livestream Parker claims he was making gameplay videos for YouTube in 2011. However, in 2013 he can be seen referring to his channel as “new” on his Pkrussl Facebook.

Why would someone who had been uploading content to their channel for two years call their channel new? It does not appear this was an attempt at rebranding, as the videos he uploaded after this post (which have since been deleted) were gameplay videos, the same kind of content he claims to have been producing in 2011.

Following the Same Artists

Parker follows four of the same artists on Twitter that voluptuousvenessa followed on Inkbunny. These artists are @OselottiCat (known as Oselotti on IB), @WagnerMutt, @Panda_Paco, and @Pentrep. Of note is Pentrep; they are not a particularly popular artist (having just over 300 followers on Twitter as of the writing of this document) and were one of the 39 large producers of cub porn from voluptuousvenessa’s IB watching list.

Similar Color Palettes

Parker and hs2012 use nearly identical color palettes in their work. Pupsiin ran Parker's X3non logo and hs2012's Xeno the Hedgehog art through Coolors and received palettes with nearly identical hex codes.

Color palette comparisons between the X3non logo and the Skye the Siberian Husky fursona found in FA art archives are also very similar.

Same Interest in “Sonadow” Porn

In his “PKRUSSL IS INNOCENT” livestream Parker admits he viewed pornography of the characters Sonic the Hedgehog and Shadow the Hedgehog, a pairing often referred to as “Sonadow,” in 2011/2012 when he was 14 years old. The hs2012 account on Furaffinity was created in 2011, and the oldest images in the Favorites gallery are Sonadow pornography.

Sonadow shipping art can also be found in the hs2012 Deviantart favorites, and voluptuousvenessa followed a number of Sonic the Hedgehog porn artists.

Other Sonic porn artists Parker followed on IB include ScarletChaos and MidnightMuser, among others.

Sexually Inappropriate Behavior Around Underage Audience

Parker has engaged in inappropriate behavior around underage fans, including intentionally showing off his thong during livestreams, retweeting vore fetish artwork drawn for him by 15 year olds, and posting videos of himself dancing naked (with poor censoring).
